Boozer's shock at 'anti-Klan' bottle

A BAR has pulled a beer from its range after customers complained that the bottle looked like a Ku Klux Klan hood.

In a Facebook post, a woman explained how her husband, a black man, was sold Yellow Belly beer at the boozer in Connecticut.

The post read: "This is the $40 bottle of beer that was promoted and presented to my black husband and his white friend tonight at World of Beer. After researching it at home, we discovered it was 'created to denounce racism… promote open-mindedness… packaged deliberately to denounce organisations like the KKK'.

"None of this was explained to Damion or his friend. This KKK bottle was brought over without warning about its appearance. At best, the server was ignorant, insensitive and tone-deaf. At worst…?"

HE MAY NOT COLOUR HIS HAIR ANY MORE BUT...

DONALD TRUMP DYES HIS PUBES!

WORLD EXCLUSIVE

By BRAD CHADWICK
news@sundaysport.co.uk

UNTIL the terrifying depths of President Trump's eccentricity became apparent to the world, his hair appeared to be the most extraordinary thing about him.

A wispy bouffant crown the shade of a terracotta plant pot, it appeared to be made of a substance unknown to science.

And now the commander in chief's crowning glory is centre stage again as Trump, 74, appeared to have ditched his normal orange barnet for a silver shade of WHITE.

Donald Trump's new look was unveiled during a press conference in the White House Rose Garden on Tuesday.

However, insiders say the President continues to dye his PUBIC HAIR!

One staffer, who spoke on condition of anonymity, chuckled: "The President's advisers said that with the country facing a grave crisis, it was a bit unbecoming for him to appear in public with dyed hair.

"At first the President flat-out denied dyeing his hair but such a lie was unsustainable. So he conceded and said he was going to stop. Hence the silvery locks.

"But he carried on colouring his pubes, laughing to himself that he's 'got one over on those careerist Washington bastards'."

Twitter users were quick to point out that Mr Trump's hair colour had given way to a hue often seen on oldies.

After Tuesday's press conference, one Twitter user said: "Is my TV screwed or did he finally stop dyeing his hair that awful orange?"

Another commenter said: "Trump appears to be missing his hair colour. His hair is now grey. Odd."

And a third said: "It seems Trump has made the best decision of his presidency thus far... stopped dyeing his hair orange."

Last night a White House spokesperson "absolutely" refused to discuss Trump's pubis.

Caitlyn's keen to mate with Kanye

CAITLYN Jenner wants to be Kanye West's running mate in the race to be the next U.S. President.

The reality TV star, 70, wants to be considered as Vice President for the rapper's bizarre bid for the White House.

The father of Kendall Jenner and Kylie Jenner was asked if she would vote for Kanye, now that he'd announced his bid for the nation's top office.

"I texted him and said "can I be your VP [Vice President]",' revealed the former Olympian.

‘Cockfight’ town’s kept up by yelps of doggers

RESIDENTS of a sleepy town once noted for COCKFIGHTING are being kept awake by SEX YELPS at a suspected dogging site.

One local complained on social media about “loud grunting and roaring” noises coming from a patch of land just off the A158 at Horncastle, Lincs, in the early hours of the morning.

The issue was discussed at a Town Council meeting last week at which Cllr Richard Avison said the local PCSO was going to look into it.

He added: “I would urge anyone who wants to report a problem like this to get in touch because the police need to be made aware.

“A lot of things get put on Facebook, which is fine, but it’s often not the best place to discuss things.”

The nearby resident said: “I don’t think it’s the same people doing it every time. It’s quite likely listed on some sort of website.

“We had our bathroom window open and you could hear everything. My husband thought it was the animals from the wildlife park, but I knew exactly where it was coming from.

“I posted about it online because I want whoever it was to be more considerate.”

She added the noises can usually be heard at around 11pm or 12am, but that on Saturday, July 11, she was woken by the noises at 3am.

Horncastle was a centre for cockfighting and bull baiting until the practices were banned in 1835.

Man, are you fibbing about your money?

ONE-in-10 people in relationships lies to their partner about their spending habits – and men are more likely to be dishonest than women.

A quarter of couples do not talk regularly about their finances, a survey of 1,000 people by online bank N26 found.

Overall 12 per cent of men were less than fully honest about how much they spent, compared to nine per cent of women.

One-in-seven people had no idea what their partner earned.

The survey also found that millennials – the generation born between 1985 and 2000 – were most worried about being judged by their partner for their spending.

One fifth of this group said they feared being shamed compared.

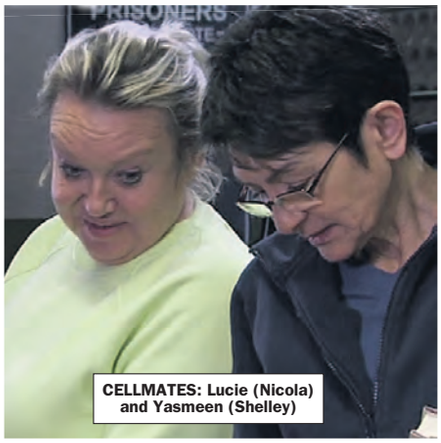
Tragic Yasmeen finds shoulder to cry on



CELLMATES: Lucie (Nicola) and Yasmeen (Shelley)

By SUZIE SHELDON
news@sundaysport.co.uk

***CORONATION Street* fans have been gripped by the Weatherfield soap’s domestic abuse storyline.**

Poor Yasmeen Nazir – played by actress Shelley King in the ITV show – is currently locked up for stabbing abusive husband Geoff after he attacked her.

But Yasmeen is finding the strength to break free from Geoff’s clutches, thanks to her cellmate Lucie Fernsby.

Lucie is played by Nicola Duffett, 57, who soap fans will remember as dopey Nigel’s wife Debbie in *EastEnders*.

Debbie was killed off in 1995 after Nicola begged the soap’s scriptwriters to axe her character, leaving Nicola free to take a role in *Family Affairs* as boozy beautician Cat MacKenzie.

And it was on that drama series that these amazing topless scenes appeared – as Cat sat for an artist.

One fan said: “She’s as pretty as a picture!”

Cobbles

Meanwhile *Corrie* viewers have watched as Geoff has tried to manipulate Yasmeen into coming back home and agreeing to be his wife again.

He has realised that people on the cobbles know he’s guilty of abusing her – and they aren’t keeping quiet about it.

Geoff thinks his only way to keep control is to stop the CPS from prosecuting Yasmeen so she can return home and then he can control her again.

Yasmeen plucks up the courage to phone Geoff using a smuggled phone Lucie loaned her, and tells him that she does want to be with him again.

Unfortunately, when the day of her trial arrives it’s all too much for Yasmeen.

As she is telling Imran all about Geoff’s ex-wife, she suffers a heart attack in prison.

OAP STRIPPED OFF IN FAMILY’S HOME

Court hears he’d drunk whiskey

BANGED UP: Robert Williams

A PENSIONER walked into a family’s home and stripped off before being found with “nothing on”.

Robert Williams, who had drunk two or three glasses of whiskey and some punch before the incident, was spotted walking into a house in the Blaenau Gwent area by someone who realised it was not his property.

When they followed him inside Williams had “nothing on”, prosecutor Lucy Crowther told Cardiff Crown Court.

“He had even taken his shoes and socks off. He claimed he didn’t know where he was,” she told the court.

The people whose house it was were upstairs at the time but heard the commotion and came downstairs as Williams was leaving, still in a state of undress with only shorts and one sock on.

Police were called to the incident, in May this year, and the 65-year-old was arrested.

Ms Crowther added: “He said he thought the house was empty and could not give any explanation.”

The previous month Williams had been seen on CCTV walking naked down a street with a coiled hosepipe.

Jeffrey Jones, defending, said Williams’s time in custody on remand had not been an “easy time” and the incident has been “a lesson for him”.

Williams was responsible for an incident in November 2018 which saw him go into a house and expose his genitals.

Williams, from Rhymney, admitted exposure and trespass with intent to commit a sexual offence and was jailed for 27 months.

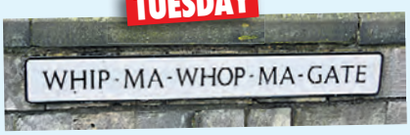
THE Government announces plans to remove all Chinese parts from UK mobile communications gear by 2025.

It's a serious step which reportedly kept Boris Johnson awake for several nights.

However, the Prime Minister finally agreed to it when his aides patiently explained it didn't mean having to delete that video of Ping Pong and all her charming friends, which he filmed during a particularly enjoyable trip to Shanghai in 2008.

Completely different sort of Chinese parts, apparently.

TUESDAY



THE Houses of Parliament could be moved to York during their planned renovation, according to leaked reports.

The exact location in York is yet to be decided but surely most of the Tories would opt for the iconic Whip-Ma-Whop-Ma-Gate – seeing as that is their usual request when visiting the dominatrix.

Fittingly, York is also famous for being the birthplace of the last man who tried to extensively re-model Parliament: Guy Fawkes. If only he'd succeeded.

WEDNESDAY

GREAT news for history buffs as some major museums say they're ready to re-open during the summer.

Guests will need to follow strict COVID-19 hygiene rules, of course, such as remaining two metres apart and not sharing audio headsets.

School children visiting the gift shop will also be asked not to touch or handle any item unless they are absolutely certain they plan to shoplift it.

And also – while he was there – she thought she might attach the corgis to his Zimmer frame for a few laps of the south lawn. Tenner a lap, Sir Tom, and an extra fiver if you pick up their shits along the way.

GROWLER PROWLER: Gianna has her eyes on Maxwell's privates

Muffhunter warns other cons off Ghislaine's parts

By BRAD CHADWICK
news@sundaysport.co.uk

DENIED bail and forced to remain in what's been called America's worst jail, you'd have thought things could not get much worse for Ghislaine Maxwell.

But they have – in the hulking shape of a 20-stone predatory lesbian fellow prisoner who's growled: "Maxwell's minge is MINE!"

The daughter of newspaper crook Robert is languishing at the Metropolitan Detention Center in New York accused of procuring young girls for the late billionaire meganonce Jeffrey Epstein.

Ms Maxwell, 58, faces spending the rest of her days behind bars if found guilty for her alleged crimes.

HELL-HOLE: Maxwell in court and (*right*) the nick she is in solitary

But the more immediate threat to the pal of red-faced Royal Prince Andrew is fanny fan Giovanna Gianni.

Gianni, 38, was picked up by Feds three months ago after a five-year international hunt.

Sticky

She is wanted for stalking, and famously had the hots for Amanda Knox, nicknamed Foxy Knoxy, who was caged over the killing of British student Meredith Kercher.

Now Gianni's transferred her affections to Maxwell and, what's more, her cell is just yards from the socialite's.

A source at the prison said: "Maxwell is in high security isolation as nobody wants her to come to a sticky end like her boyfriend Epstein.

"But there are no walls, no bars that can keep Giovanna away from a pussy she wants. Behind those dead eyes is a cunning brain.

"If there is a way she can get to Maxwell's pussy, she will find it. And believe me, once Gianni has licked your pussy, it stays licked!"

Maxwell has been charged with six counts of sex trafficking and perjury over her relationship with Epstein – who "killed himself" in jail last year while awaiting trial.

Last week in a New York federal court Judge Alison Nathan set Maxwell's trial date for July 12, 2021.

After prosecutors argued she was a flight risk, she was denied a proposed £4million bail package.

The Queen made me BONK my TEDDY BEAR

RUM DO: Ken gave 'Edward' a seeing-to after his gin spree

By SID MARKS
news@sundaysport.co.uk

IT'S the hottest tipple in town – and the official Buckingham Palace gin launched by the Royal Collection Trust sold out online within eight hours of its release.

So devoted Royalist Ken Jones, 35, was over the moon when he got his hands on a bottle of the £40 spirit, which packs a potent 42 per cent ABV punch.

But after single Ken demonstrated his devotion to Her Majesty by sinking the entire bottle in one sitting, mayhem ensued.

Because not only did Ken trash his bedsit in Biddulph, Staffs, and soil his trousers during the bender, he also SHAGGED his Beefeater teddy bear, Edward.

ROYAL TIPPLE: Her Majesty and the Buck House spirit

Still jittery from the after-effects of his mammoth gin spree, the furloughed swimming teacher told *Sunday Sport*: "I suppose I am what you call, 'unused to wine'.

"Mum lets me have a glass of sherry when I go to her house on Christmas Day but that's about it.

"I'd never drunk gin before but after that first sip, I had another, then another. It's very more-ish, especially with a drop of Tizer.

"The next thing I know, I'm waking up with a head like lead. The flat was a mess and, unfortunately, so were my underpants.

"Then I looked at little Edward, who I got on a visit to the Tower of London.

"May God forgive me, he'd been interfered with and my leavings were all over his little tunic!"

Ken added, sorrowfully: "It pains me to say it, but this would never have happened if I'd not drunk Her Majesty's gin. In a sense, the Queen made me bonk my teddy bear!"

Chrissy hits back at Epstein 'links'

MODEL Chrissy Teigen is at a breaking point and "worried for her family" because she has been the subject of false conspiracy theories linking her to meganonce Jeffrey Epstein.

The 34-year-old exploded when a user pointed out that she had deleted "over 28,000 tweets" and also falsely claimed she was on Epstein's flight logs going to his island, Little St. James, which has been nicknamed "paedophile island".

She said: "I actually deleted 60,000 tweets as I cannot f**king STAND you idiots anymore and I'm worried for my family. F**king detectives that can't even do simple subtraction to see how much was deleted.

"That's who we are working with here," she added in a later tweet calling the conspiracy theorists "losers."

When another person commented that she seemed "defensive," she said: "This I don't get. Everyone thinking I'm guilty because I'm defensive. You understand you are calling me a paedophile, correct?"

Miranda: I had to chase billionaire

STUNNING Miranda Kerr has revealed she had to make the first move with her husband, billionaire Evan Spiegel.

Six years ago, the pair were seated next to each other at a Louis Vuitton event at the Museum of Modern Art in New York when Kerr struck up a conversation with the tech tycoon.

They had a great time chatting, and Kerr told Spiegel her favourite song was *Spiegel im Spiegel* by Estonian composer Arvo Pärt, a tune he had never heard.

They then exchanged numbers and Spiegel abruptly left.

"All of a sudden he gets up," Kerr said and explained that he never followed up.

A month later, Kerr got up the courage to text Spiegel a message that said: "Just wondering – did you ever listen to that song?"

Unknown to Kerr, the only reason Spiegel – who is reportedly worth £4bn – hadn't reached out first was because he had no idea she liked him.

He later confessed: "I thought I had no chance, so I wasn't going to waste my time".

Today, Kerr, 37, and Spiegel, 30, have been married for nearly three years and share two sons.

Golden Girls home can be yours... for $3M

THE house made famous by cult TV show *The Golden Girls* is up for sale for $3million.

Though the show was set in Miami, the actual house is located across the country in the affluent Los Angeles neighbourhood of Brentwood.

Show bosses used the exterior of the property on the show's first season to represent Blanche's (played by Rue McClanahan) house, which she shared with Rose (Betty White), Dorothy (Bea Arthur) and Sophia (Estelle Getty).

An exact replica was built at Disney studios in Florida and used in later seasons.

The show ran from 1985 to 1992, but repeats still air around the world.

The house dates to 1955, when lawyer David Noble Barry III and his wife, Margaret Carr Barry, built it.

They lived there for the remainder of their lives. David died in 2017, two years before Margaret passed away.

The house is now being sold by a trust.

Rustlers nicking llamas – to help cure killer virus

LLAMA farmers are on high alert after evil rustlers targeted their beasts as a CURE for the coronavirus.

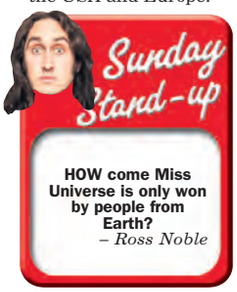
Ranchers around the world have thrown rings of steel around their curious camelids as rustling incidents rose by 300 per cent in the past week.

The surge in llama rustling comes after news that antibodies taken from llama blood could be used to help develop a new treatment for patients who are severely ill with Covid-19.

Laboratory tests have shown the antibodies can fight the coronavirus – and scientists hope to push the breakthrough on into pre-clinical trials.

The work was carried out by a team from the Rosalind Franklin Institute, Oxford University, Diamond Light Source and Public Health England.

While most llama thefts have been reported in South America, where the animals originate, rustling is also hitting the USA and Europe.



Park w**ker was ogling yoga class

POLICE are investigating after a man was seen furiously masturbating on a bench while ogling an outdoor yoga class.

Officers received reports that a man on a bench in Memorial Park in Totton, Hants, was performing a sex act while a yoga class was taking place just yards away.

In a statement on their Facebook page, Totton Police said: "We received reports that a male was masturbating in the park behind Totton Library.

"The male was sat on a park bench in view of a yoga class that was going on at the time.

"The male was described as White, 5'10, grey hair, aged around 50, wearing blue jeans and a short sleeved top."

Many yoga classes across the country have moved outdoors because of the coronavirus.

DID MEGHAN REALLY PUT A CORGI POO IN KATE'S JIMMY CHOOS?

WHISPER: Meghan and Harry (*right*) and posh Jimmy Choo shoes

Accusations of Royal dirty tricks whispering campaign

By SIMON DEAN
simon@sundaysport.co.uk

IF you have a pop at the Royal Family, DON'T be surprised if they have a pop back...

Meghan Markle claimed that she felt "unprotected" by the monarchy while suffering "tremendous emotional distress" and mental health problems while pregnant with baby Archie, according to court papers.

Meg says her plight was ignored while she was the victim of "false" media reports while carrying Prince Harry's son – and her then-new royal role meant she was "prohibited from defending herself".

But as the headlines swirled around world, whispers emerged that Meghan had slipped a CORGI POO in Princess Kate's favourite Jimmy Choo shoes.

And it's now claimed the unsubstantiated "Corgigate" incident was part of a Royal PR dirty tricks campaign against Meg orchestrated by flunkeys loyal to Prince William.

Fake

A Royal insider said: "After the PR debacle over Diana's death the Royal PR machine was modernised. I would not be surprised if this claim that Meghan put a dog poo in Kate's shoes was proved to be 'fake news' planted in the media by a low level operative.

"It's almost certain that Royals themselves had nothing to do with the leak – they have to be seen to have clean hands and could not be implicated in any dirty tricks."

Meg's damning claims about being "unprotected" by the Royal machine are part of the Duchess of Sussex's lawsuit against the publisher of the *Mail on Sunday*, *Daily Mail* and *MailOnline*.

Court papers say: "The Claimant had become the subject of a large number of false and damaging articles by the UK tabloid media, specifically by the Defendant, which caused tremendous emotional distress and damage to her mental health."

Her suffering explains why her friends defended her in other articles, the papers add.

"As her friends had never seen her in this state before, they were rightly concerned for her welfare, specifically as she was pregnant, unprotected by the Institution, and prohibited from defending herself."

The publisher denies her claims.

THE VOICE OF YOUR BRITAIN

Stand and deliver us from this!

READERS of a certain vintage will fondly recall the ITV telly series 'Dick Turpin', starring the swashbuckling Richard O'Sullivan as the highwayman.

The real Dick Turpin – who was hanged in 1739 – has become a British folk legend along the lines of Robin Hood.

Tales of his derring-do have stirred small boys down the ages.

However, the highwayman was no hero but a common thief and thug who often resorted to murder to feed his greed.

We may have thought that the highwayman was consigned to history, along with the cutpurse and the footpad.

But Boris Johnson's latest stricture – that we must all wear masks to 'protect' us against the Chinese Death Plague – has led to a renaissance of the highwayman.

Is there any better illustration of how this floundering administration's bungling of the crisis is plunging Britain into a new Dark Age?

The idle millions paid 'furlough' by the parish are now recreating William Hogarth's notorious 'Gin Lane' etching every night.

Good British citizens scurry from shadow to shadow in fear of an invisible miasma.

And now the masked highwayman is abroad on our byways, yelping 'Stand and deliver!' in an echo of a past age.

So until the scourge of the highwayman is once more wiped from the face of our Good Queen's realm, Britain can no longer sit with good conscience among the civilised nations of Christendom.

Dirty business of shoe-poogate

DID beloved Princess Meghan put a corgi poo in Princess Kate's shoe?

Of course she didn't!

And reports that this rumour was started by underlings working for the Royal machine should concern all who love our monarchy.

Those working for our Queen have no place putting plop-based fallacies in the public domain.

STEFAN AND FAMILY BLAST COMPLAINTS ABOUT THEIR 24-HOUR BOOZER AS 'RACIST'

ISSUES Sheeran's pub (*left*) and village locals Pete and Susan

THE Worcestershire hamlet of Lower Wattle has little troubled the history books since it was mentioned briefly in the Domesday Book.

A tidy community of fewer than 50 souls, six miles from Evesham, it is famous locally for its annual Apple Throwing Fair – and not much else.

But now Lower Wattle is at the centre of a VERY modern dispute that illustrates the growing gulf between Old England and the new nation, settling on its foundations.

By BARNEY SAMUELS
news@sundaysport.co.uk

On one side are the locals – known as Wattlers – many of whom can trace their ancestry back to the days of King Offa, the Mercian warlord who ruled these parts in the eighth century.

On the other side is the Bulgarian Bognadov family, who moved to Worcestershire two summers ago having previously made a fortune "doing business" in London.

Tensions soon arose over the Bogdanov's traditional Bulgarian drinking shack – in a garage – at the side of their £600k, five-bedroomed house.

Locals report hearing "loud music", "smashing glass", "yells of pain" and even – they say – noises that suggest animals are being misused.

There are also reports that the head of the Bogdanov household, Stefan, speeds around his garden lawn in

the family's Lada while he is "steaming drunk".

Neighbours claim that up to 50 of the Bognadov's friends and extended clan descend on Lower Wattle at weekends, "causing absolute mayhem".

Stools

Human stools found outside the post office were said to be the work of Bogdanov cousins.

But defiant Stefan, 63, has dismissed complaints levelled against him as "racist" and blames the "cultural conservatism" of the Wattlers.

He said: "They do not like us because we came to this country in 2008, worked very hard and made money.

"Then, like many English people, we moved to the country. Yes, we keep some of our old ways – good, solid, peasant ways – but we mean no harm.

"And yes we have a bar in our garage… so what? Your Mr Ed Sheeran has a pub in his back garden. I saw it in a magazine – if it is OK for him, why not us?"

In fact, singer-songwriter Ed has had his own trouble with neighbours at his Suffolk estate, which does indeed boast its own pub, called The Lancaster Lock.

Proud Wattler Purkiss Kenton, 68 – whose family have farmed around Lower Wattle for eight generations, said: "This is nothing to do with racism, it's to do with decency.

"One of their cousins mounted my bitch, Harpy, Tuesday last. I had to chase after him with my shotgun. It's just not on."

Purkiss's daughter, Susan Reynolds, 41, who moved back to her childhood village with hubby Pete, 39, five years ago, is more blunt.

She told *Sunday Sport*: "The dirty, dirty bastards."

FETISH FANS GUSH OVER FOXY MEG'S TOOTSIES!

TOE THE LINE: Megan sticks her foot on MGK

MEGAN Fox has become a lust target for FOOT FETISHISTS after new beau Machine Gun Kelly raved about her gorgeous tootsies.

MGK, real name Colson Baker, has declared *Transformers* star Megan's feet to be the "most beautiful that exist".

The *El Diablo* rapper has a well-known foot fetish and addressed having the 34-year-old actress stepping on his face in his video for *Bloody Valentine*.

Speaking to Teen Vogue, MGK said: "It's no secret. I think feet are beautiful, and I think Megan has the most beautiful feet that exist."

In the video, Megan is seen draping her legs over the star's lap in a sauna and stepping her bare foot on his face while he has duct tape over his mouth.

That's driven toe sex people crazy.

One said on Twitter: "I want Megan to stamp, stamp, stamp on my balls."

Another leered: "Let me rub my jizz into your toes, Mistress."

Meanwhile, it seems Meg did her research on MGK's tastes before starring in the video.

He explained: "I was like, 'Megan, you already know what I'm about to ask you'. And she was like, 'Yeah, I literally got a pedicure just 'cause I knew you were gonna ask me that'. So I was like, 'All right. Well, plop it on'."

MGK added that for "more personal reasons", *Bloody Valentine* is now his favourite video.

The star has been open about having a foot fetish in the past, saying he "can't be with a girl who has fugly feet or toes".

GORGEOUS glamour girl Lauren Wood dreams of having a THREESOME with a complete STRANGER.

The kinky beauty, from Romford, Essex, dreams of bonking another girl and having a bit of lesbian action as a horny bloke looks on.

Watching

Lauren, 25, said: "I'd really like to have a threesome. I'd love to do it with a girl while a guy was watching, then for us all to go at it.

"I don't think I'm a lesbian, but I'd still like to do it – and I think it would be even hotter if the girl was a complete stranger."

As well as a saucy ménage-a-trois, the 32E megaboobed babe also loves a bit of alfresco action when she's out and about.

Lauren added: "I love doing it out of nowhere in crazy public places.

"As soon as I get in the mood, I want the thrill of doing it right there and then."

She added: "But I'm not sure that random lesbian sex – or any kind of sex –with a stranger is quite sensible right now, what with the coronavirus still going round."

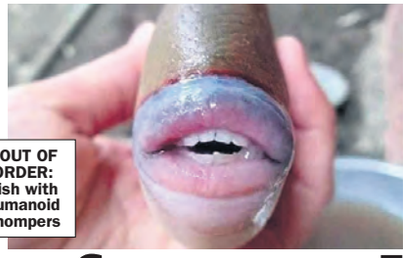
Angler catches Angelina Jolie fish – then eats it for tea!



POUT OF ORDER: Fish with humanoid chompers

SULTRY: Hot-lipped actress Angelina

A FISH with Angelina Jolie lips and teeth has caused a stir on social media after it was caught by an angler – then cooked and ate it.

The viral pic of the critter, which was caught in Malaysia, was uploaded by an Indonesian Twitter user with the caption "her lips are hotter than mine."

Indeed, the photo shows the fish's "sultry" lips, like an Instagram star's filler-injected pout. Twitter users wondered if the pic was fake.

One said: "So that thing real?"

"This mf got teeth??? Damn!!" yelped another about the fish's humanoid chompers.

"Angelina Jolie is shaking," quipped one, with in reference to the hot-lipped actress.

But despite looking doctored, the toothy beast pic may be of a triggerfish that inhabits tropical seas around the globe, reports National Geographic.

The triggerfish uses its people-like teeth to crunch crabs and sea urchins, which they flip over to get at the soft underbelly beneath.

And what happened to the fish?

The angler took it home where his family feasted on it for supper!

CHINESE CURRY SAUCE BANNED FROM ALL BRIT CHIPPIES

FOOD FOR THOUGHT: PM has given China a taste of what's to come in the war of words

THE war of words between China and the UK took a dramatic turn last night after Boris Johnson signalled that CHINESE CURRY would be banned from chippies.

London and Peking are at daggers drawn after last week's announcement that Chinese firm Huawei will be banned from our 5G mobile phone network.

Coming amid tensions over Hong Kong, the Chinese government warned Britain would face "public and painful" retaliation for its decision.

But rather than back down, Boris has upped the stakes with his move to wipe Chinese curry off the menus of takeaways nationwide.

Most chippies give diners the choice between spicy Chinese curry and the milder English version on their chips.

If Boris gets his way – and doves in the Cabinet may yet persuade him the move is provocative – only English curry will be available from the end of the month.

It's believed that "compliance squads" will tour takeaways to seize any contraband Chinese sauce.

A source close to the PM said: "Boris want to send a message, loud and clear to China, that if they retaliate over Huawei, he'll up the ante.

"This is brinkmanship. There's a real possibility that Britain and China could go to war over curry sauce!"

Chips fans had mixed feelings about the plans.

Graham Lowe from Congleton, Cheshire, who *Sunday Sport* spoke to outside his local takeaway, said: "I admire the PM's strong line but is this the right battle? Chinese curry is lovely, while the English stuff is sickly and insipid."

The government said on Tuesday that the UK will impose a ban on the purchase of all new 5G infrastructure from Huawei by December 31, with all existing equipment removed by 2027.

UK Culture Secretary Oliver Dowden told MPs that the UK "can no longer guarantee the safety" of its deal with Huawei after Donald Trump imposed sanctions on the telecoms firm.

China's ambassador to the UK, Liu Xiaoming, described the move as "disappointing and wrong."

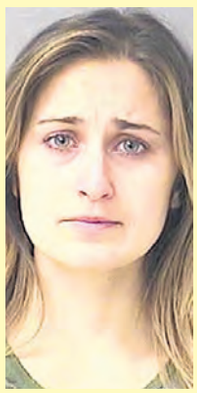
Miss banged up for sex pics



AN ex-beauty queen has been sentenced to two years in prison after admitting to exchanging sexual photos with a teen student when she was working as a teacher.

Ramsey Bearse, 29, pleaded guilty to one count of possessing material depicting minors in sexually explicit conduct in December 2019.

Authorities said the former West Virginia middle school educator admitted to exchanging photos with the student on Snapchat between August and October 2018.

A parent of the male student reported finding the images on the teen's phone.

The Former Miss Kentucky was handed an additional 10 years of supervised release and must register as a sex offender for life.

Bearse (*right*) was initially charged with four counts of sending obscene material to a minor.

She'd previously testified she meant to send a photo to her husband, but accidentally sent it to the lad. She claimed the student asked for additional photos, so she continued to send them as she was "afraid to not appease him".

Streaker Kelly gets her fingers up

SHE found fame charging the field for a streaking bid during Super Bowl 2020.

And now Kelly Kay, 27, is keeping the public talking by posing for more outrageous snaps on Instagram.

In her latest set, Kelly wears a see-thru top which shows off her big busters, while in another shot she gave the finger while cradling her charms.

Kelly was charged with trespass after the Super Bowl stunt.

A fan said: "I wish she'd stick those fingers where the sun don't shine…that's up my arse, if you didn't get it."

Teenager's jailed after failing to do homework!

A 15-YEAR-OLD girl was sent to PRISON for not doing her HOMEWORK.

The teen, identified only as Grace, was locked up when the judge revoked her probation for her "failure to submit to any schoolwork and getting up for school".

The girl's mother and lawyers have yelped racism against Grace, a black student with in a predominantly white village of Beverly Hills, Michigan.

"Who can even be a good student right now?" Ricky Watson Jr, executive director of the National Juvenile Justice Network said.

"Unless there is an urgent need, I don't understand why you would be sending a kid to any facility and taking them away from their families with all that we are dealing with right now."

Grace was placed on probation after two incidents of violence against her mother last autumn.

Several weeks later, she was caught on CCTV stealing another student's mobile phone from a school locker.

Judge Mary Brennan called Grace a "threat to the community" when she sentenced her to juvenile detention.

'Lick piss' cop jailed 4 years

A COP was sentenced to four years in prison for forcing a homeless man to lick a urinal to avoid being arrested.

Kobayashi Rabago (*above*), 44, and another officer, Reginald Ramones, had responded to a nuisance complaint at a shopping mall in Honolulu, Hawaii, when they found the man in a stall in a public lavvy.

The 37-year-old tramp told the cops that he would do "anything" to avoid getting arrested, according to court papers.

Rabago and Ramones then forced him to lick the piss-stone.

Both officers had been charged with depriving the man of his civil rights.

Ramones is scheduled to be sentenced later.

STONE THE CROWS!

PHRASES like "stone the crows" and "kill two birds with one stone" should be banned as they are "ornitho-phobic" and fuel anti-avian violence, Kent birdwatchers claim.

HE may have tiny teeth like a hellish goblin in a 14th century woodcut and mince more than a Dewhurst butcher...

But David Walliams is certainly no slouch when it comes to bagging top-flight PUSSY!

Now it's been reported that the TV funnyman is sharing a house with Page 3 legend Keeley Hazell.

Walliams, 48, is believed to have been living with the 33-year-old model at his London home since she returned from working in America.

They reportedly share a "special chemistry", but it's believed David and Keeley are just close pals.

A source said: "David and Keeley go way back and have kept in touch since she left to break into acting in the States.

"He has a big empty home and was grateful for the company so it suited both parties.

"Keeley also used David's pad as a base while renovating her new home in London. She moved out just before lockdown."

Still, David's never gone short of top-notch snatch. Earlier this year it was reported that he had set his sights on a romance with Pussycat Doll Ashley Roberts.

A source said: "David was really knocked after his painful split from ex-wife Lara Stone, but is very much looking for love now."

And as these pages show, David's never struggled to find it...

Breaking Bad student put prof's corpse in acid bath

A DISTURBED pupil chopped up his chemistry teacher and dumped the dismembered body parts in acid.

By BRAD CHADWICK
news@sundaysport.co.uk

Postgrad student Dmitry Bykovsky, 33, was inspired by the TV series *Breaking Bad* to carry out the brutal murder of Prof Vladislav Kuznetsov, 58, in Voronezh, Russia.

Police have detained him and an accomplice, IT specialist Alexander Kharlamov, 30.

The pair raided the professor's bank accounts after using a cloth soaked in chloroform to knock him unconscious.

They stole around £17,000.

When they realised Prof Kuznetsov was no longer breathing, they took his body to a flat rented by Kharlamov.

There they cut him up and dissolved his body parts in a bath of acid.

Cops say the academic – who went missing on March 5 – was close to Bykovsky and opened his door to him when the student came to his flat with Kharlamov.

Detectives say it was Kharlamov who confessed to the scheme.

Kharlamov told a court: "I committed evil, so must be punished."

Walter White was a high school chemistry teacher who embarked on a life of crime in Netflix show *Breaking Bad*. White – along with Jesse Pinkman and other characters – use acid to dispose of corpses.

Bykovsky has so far refused to speak about the murder – or claims he modelled himself on Walter White, who was played in the series by actor Bryan Cranston.

But Bykovsky had used an image of White as his user picture on a social media account.

Snowflakes demand new moniker for 'racist' peak

A SWISS town has refused to rename a mountain that's been blasted as RACIST.

Locals in Grindelwald say that the nearby peak of Agassizhorn will keep its name, despite complaints from snowflakes.

The mountain is named after 19th century Swiss geologist Louis Agassiz, who was known for research into fish, fossils and glaciers, but he has also been criticised in recent years for defending racist ideas.

After emigrating to the US in 1846, Agassiz argued for racial segregation and hierarchies, and fiercely attacked Charles Darwin's theory of evolution.

But mayor of the town of Grindelwald, Beat Bucher, disagreed with those who wanted to change the peak's name, saying: "We cannot erase the stains of history."

In a reference to the central Swiss summit, Bucher added: "It is better to accept it with its positive and negative aspects."

The mountain peak, at just under 4,000 metres (13,000ft) is shared by two other municipalities, Guttannen and Fieschertal, which had already rejected a bid to rename it.

A fresh effort was made after the killing in late May of George Floyd, and a similar push for a rename was rejected in 2007.

The shooter missed his mark, and no-one was injured in the melee, cops confirmed.

In the clip, the gunman wheeled himself away from the scene and is still at large.

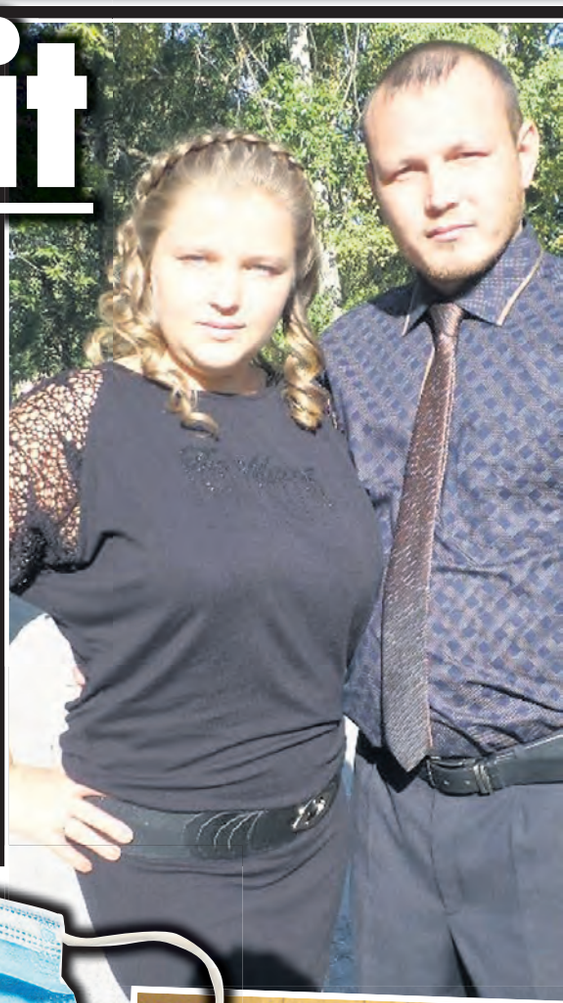
ANNE'S EXCUSE AFTER SHE WAS CAUGHT SUCKING OFF HER BROTHER-IN-LAW



By JENNY JOHNSON
news@sundaysport.co.uk

EASY MISTAKE TO MAKE: Face masks can hide your identity

WHEN the lockdown eased and people were allowed to invite others into their home, Liam Jenkins knew exactly who his first guest would be – his brother Neil.

The pair were more than just siblings – they were best mates, too.

Calling themselves "The Two Musketeers", the pair had been inseparable since childhood, until the pandemic forced them to isolate from each other for months.

So, after PM Boris Johnson gave families the go-ahead to form bubbles with other households, joiner Neil popped over to see Liam and his wife Anne, both 29.

As Neil suffers from asthma and could be severely hit by the coronavirus all three wore masks during the visit, in a bid to stay safe.

And according to Liam's missus that is why he walked in on her on her knees sucking his brother's engorged COCK.

Delivery driver Liam, from Oldham, Lancs, said: "Our Neil was stood up in the loving room wearing a mask while my wife had his member in her mouth and was sucking like her life depended on it.

"As I walked in she shot to her feet and said, 'It's not what it looks like.'

"I said, 'Well it looks like you were sucking off our Neil so if it's not that, what is happening?'

"She replied, 'I thought it was you. With the mask on I couldn't tell you two apart.'

"Well, I didn't know what to think. I mean, He's six inches taller and two stone lighter than me. All our Neil said was, 'Please put your mask on, please. I've got asthma.'

"That was it. I lost my temper and yelled, 'You didn't care about a bloody mask when my Anne had your meat sausage in her mouth!'

"Then I lamped him one."

Now Liam and his brother are no longer talking but he has accepted his wife simply made an innocent mistake.

He said: "I suppose these bloody masks that Boris is making everyone wear do make it hard to identify people."

KNICKER SNIFFER NICKED FOR 'COVID PROTECTION'

A PERVY knicker sniffer caught nose-deep in a dirty gusset claimed he was just BORROWING the used panties as a FACE MASK.

Used car dealer Peter Framley was caught by a neighbour rifling through her dirty linen basket after he had gained entry to her home through an open patio door.

When the woman, who cannot be named for legal reasons, saw the 54-year-old on her landing she was terrified and started screaming.

Framley then turned round and the woman saw he had a pair of her cotton panties wrapped around his head with the gusset over his nose.

She told *Sunday Sport*: "He looked me dead in the eye and said, 'Sorry, love. I was just popping to the shops and needed a face mask. You can't take any risks with this coronavirus'.

"I replied, 'OK, but why have you got your cock in your hand?'

"He just giggled and said, 'I'm a very naughty boy, aren't I? Do you want to punish me?'

"Well, I pushed him over, ran out of the house and called the police.

"It was incredibly frightening.

"I don't know what his game was – he's totally disgusting.

ALBANIAN SHITGANGS GET AWAY WITH HIGHWAY ROBBERIES THANKS TO FACE MASKS

By SUZIE SHELDON
news@sundaysport.co.uk

ORGANISED criminals are taking advantage of the prevalence of face coverings to revive the old crime of highway robbery.

But instead of demanding your money or your life, the bandits are forcing unlucky victims to take a CRAP in a BAG!

Because the evil highwaymen are working for even more evil Albanian shit gangs who have made MILLIONS from illegally collecting human waste.

It is not known by what nefarious means the dangerous immigrants make money from the foulings but the gangs have been active in the UK for more than five years.

Defecation

Cops say this is the first time the gangs have engaged in forced defecation.

A source at the National Crime Agency said: "This shows a disturbing change in direction in the way the Albanian shit gangs are working.

"They have been a nuisance for a long time, but this is a real step up.

"They are acting like modern day Dick Turpins – forcing drivers on country roads to stop and take a dump in a carrier bag.

"Before the lockdown, seeing people in masks would raise suspicion, but if lots of people are wearing them, they don't stand out at all.

"We would advise anyone who is held up to comply and follow instructions. These people just want human waste – they don't want to kill, but they will.

"They have been particularly active in North Yorkshire and the highlands of Scotland."

Albanian shit gangs are one of the biggest growth crime industries in the UK and have even been able to illegally obtain Government grants during the coronavirus pandemic.

Shitgang kingpin, Arian Cela, said of his gang taking advantage of the furlough scene:: "There is no shit to steal. I make no money with no shit.

"Your Government give me money to pay my boys. I no stupid. I take."

Shark bite girl: I still love them!

A BLOOD-soaked wildlife documentary filmmaker said: "I love sharks," as she was taken to hospital after being bitten by one.

A smiling Anika Craney (*above*) said: "I still love sharks… sharks are beautiful!" as she was wheeled into Cairns Hospital in Queensland, Australia, following the attack.

The 29-year-old was gnawed on her lower left leg by a shark while swimming off the coast of Fitzroy Island.

It is not known what kind of shark attacked her.

An ambulance spokesman said: "There were doctors at the scene who provided first aid.

"The patient ended up with a possible fracture of the left lower ankle and some lacerations from the shark bite.

"She was relaxing and swimming on the island – she's doing a shark documentary and it's her day off."

Mask row shopper shot dead by cops

A MAN stabbed a shopper who confronted him about not wearing a face mask at a convenience store – before being gunned down by the police.

Sean Ruis, 43, of Grand Ledge, Michigan, stabbed a 77-year-old man who challenged him about not wearing a mask in the shop.

Shortly after, a cop spotted his vehicle in a residential area.

When he tried to attack the officer with a knife, the cop shot him, police have confirmed.

Ruis, who worked at the Michigan Department of Transportation, was taken to a local hospital, where he died.

The stabbing victim, meanwhile, is in a stable condition at hospital.

Gov Gretchen Whitmer has ordered people to wear masks in stores to help prevent the spread of coronavirus.

Neighbour's caught naked in man's pool

A HOMEOWNER on holiday connected to his house's security cameras on the internet – and saw a woman swimming NAKED in his pool.

And then he realised it was his NEIGHBOUR!

The man had fitted CCTV at his home in Charlotte County, Florida, and could access footage though his smartphone.

He called cops, who arrived on the scene and observed the "female in the pool, naked".

Capri Wiedemann (*above*), 22, from the house next door, was asked to get out of the pool and was booked for trespassing.

A police source said: "I would have watched that video for some time. That girl's done got herself a cute little ass there, yessir.

"Face ain't nothing to write home about, mind you."

Introducing Britain's most PESSIMISTIC astrologer...

SEPTIC MEG

FORGET astrologers who tell you you're going to meet a tall, dark stranger and that you're about to come into money...

Septic Meg tells it like it is – UTTERLY SHITE!

Other newspapers' stargazers are filled with optimistic balderdash, which leaves you completely unprepared for the vale of tears that is the real world.

Did any other newspaper astrologer see the coronavirus coming? Of course they f**king didn't.

So here's how YOUR immediate future is going to pan out, according to our very own SEPTIC MEG!

CANCER
JUNE 21 – JULY 22

YOU'RE wondering if your encrusted duvet cover could actually walk itself to the washing machine.

LEO
JULY 23 – AUGUST 22

YOU are not alone in wondering if, deep down, Boris Johnson's newly-found love of wearing face masks is really just him tacitly supporting swinging parties.

VIRGO
AUGUST 23 – SEPTEMBER 22

YOU wonder why Manchester City can be found not guilty of lying their financial way through football but still have to pay a fine of almost £9million for their innocence.

LIBRA
SEPTEMBER 23 – OCTOBER 22

I KNOW. And I feel your rage. Because yes – fking yes – Nicola Sturgeon is still on the f**king telly every day.**

SCORPIO
OCTOBER 23 – NOVEMBER 21

YOU'VE discovered that wearing a face mask all day does not help attune oneself to the simple human task of guzzling down still-warm sausage rolls.

SAGITTARIUS
NOVEMBER 22 – DECEMBER 21

YOU'RE wondering which wig John Travolta will wear to his late wife Kelly Preston's funeral. And also if the service will take place on Thetan, the planet we're all from, apparently.

CAPRICORN
DECEMBER 22 – JANUARY 19

NO matter how many Spice Girls-infused fantasies you have sock-spulched over across the past quarter of a century, not a single one has ever involved the one in the tracksuit.

AQUARIUS
JANUARY 20 – FEBRUARY 18

"I'LL tell you what I want, what I really, really want," sang the Spice Girls, 24 years ago. Why they didn't just follow that up with "a bloody good shafting behind the bins", you and I will never know.

PISCES
FEBRUARY 19 – MARCH 20

YOU'RE reminded that while Boris Johnson is supposedly the Heineken politician – who can reach those who others cannot – the humiliated Jeremy Corbyn read it as "those that can't reach those that others can".

ARIES
MARCH 21 – APRIL 19

YOU wonder why Boris is still intent on spaffing £120bn and beyond on a railway to make it quicker for people not to travel to either London or Birmingham, just like they're not now.

TAURUS
APRIL 20 – MAY 20

DESPITE wracking your brains and searching your conscience, you still don't give a flying fk at a rolling doughnut about Johnny Depp's marriage woes.**

GEMINI
MAY 21 – JUNE 20

YOU can't beat old people. Shame, isn't it?

HERE'S JOHNNY'S BABES TOPLESS!

IN HAPPIER TIMES: Amber and Johnny

By JUSTIN DUNN
news@sundaysport.co.uk

PIRATES of the Caribbean star Johnny Depp fell in love with Amber Heard on the set of *The Rum Diary*.

But their relationship – and brief marriage – has turned out to be more of a rum do than their nuptials.

The current high profile court case in London – in which Depp, 57, is suing the *Sun* newspaper for calling him a "wife beater", a claim he strongly denies – has drawn some lurid claims from the former husband and wife against one another.

Sliced

So far the ongoing trial has heard Amber, 34, once shat on the marital bed and Depp assaulted her on their Orient Express honeymoon.

It was also alleged she threw a vodka bottle at him and sliced his finger off while he lobbed an iPhone at her.

And he is so rich the *Edward Scissorhands* star once lost £500m and as you can see from this collection, he's also slipped a length to some top notch ladies!

COVERED UP FOR COURT: Depp (*left*) and Amber

5-PAGE SPECIAL

JENNIFER GREY

***DIRTY Dancing* star Jennifer has dated quite a few famous faces down the years – including *Back to the Future* actor Michael J Fox and *Ferris Bueller's Day Off* lead Matthew Broderick.**

But they don't come further up the Hollywood hunk tree than Johnny, who she dated during the 1990s.

AMBER HEARD

AFTER Depp and Vanessa Paradis separated in June 2012, Depp began dating actress and model Amber Heard, who he met on the set of *The Rum Diary* in 2009.

Heard had been in a lesbian relationship with photographer Tasya van Ree from 2008 to 2012.

Depp and Heard were married in a private civil ceremony at their home in Los Angeles in February 2015.

In 2016 they were caught smuggling a dog into Australia, violating the nation's strict quarantine regulations.

KATE MOSS

DURING the 1990s, Depp – then 31 – started stepping out with the world's No.1 supermodel, Britain's own Kate Moss, who was just 20 at the time.

He admitted in court last week that he once trashed a New York hotel room in 1994 while Kate was sleeping nearby, saying he was angry after a friend had "screwed" him over.

VANESSA PARADIS

FRENCH scorcher Vanessa was in a relationship with Depp from 1998 to 2012.

The *Joe le Taxi* singer, now 47, and the handsome actor share two children together.

TRACI LORDS

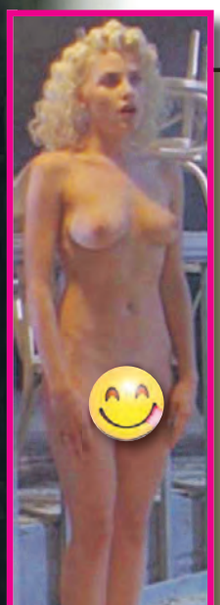
DEPP starred opposite former porn star Traci, 52, in the 1990 film *Cry Baby*.

In 2003 the actress published her autobiography *Traci Lords: Underneath it All*, in which she claims she almost had an affair with Depp but couldn't bring herself to go through with it.

ELLEN BARKIN

JOHNNY was seen out on the arm of his *Fear and Loathing in Las Vegas* co-star Ellen Barkin in 1994.

He was still 31 while she was 39, and it's thought the *Ocean's 13* pin-up was furious when her younger lover eventually rejected her.



SHERILYN FENN

IN 1985, Johnny began dating *Twin Peaks* actress Sherilyn Fenn.

The two met while working on a student film called *Dummies* and were together from then up until 1998.

10 things you might not know about ELVIS PRESLEY

THE tragic death of Elvis Presley's grandson Benjamin Keough has once again put the King of Rock 'n' Roll's family centre stage.

Next month marks 44 years since Elvis died on the lavatory but he's still one of the most famous and revered performers who ever lived.

But here are some facts about Elvis that you may not have known…

1 ELVIS purchased his first guitar when he was just 11 years old. He wanted a rifle to shoot possums, but his mother convinced him to get a guitar instead.

2 IN 1947, a local radio show offered a young Elvis (age 12) a chance to sing live on air, but he was too shy to go on.

3 IN 1954, Elvis auditioned for a gospel quartet named the Songfellows. They said no.

4 THAT same year, a local radio DJ played Elvis' version of *That's All Right*. He went on to play it 13 more times that day, but had trouble convincing his audience that Elvis was white.

5 ELVIS'S nickname for his manhood was reportedly Little Elvis.

6 HIS breakthrough hit was *Heartbreak Hotel*, released in 1956 – a song inspired by a newspaper article about a local suicide.

7 WHEN performing on TV in 1956, host Milton Berle advised Elvis to perform without his guitar, reportedly saying, "Let 'em see you, son." Elvis's gyrating hips caused outrage across the U.S. and within days he was nicknamed Elvis the Pelvis.

8 BEFORE getting his claws into Elvis, the King's manager Colonel Tom Parker made money by painting sparrows yellow and selling them as canaries.

9 ELVIS'S Tennessee mansion Graceland is named after a previous owner's daughter, Grace.

10 *SUNDAY Sport* once had a reporter nicknamed Elvis, on account of his quiff and tubbiness. He now breeds quails on the Isle of Man.

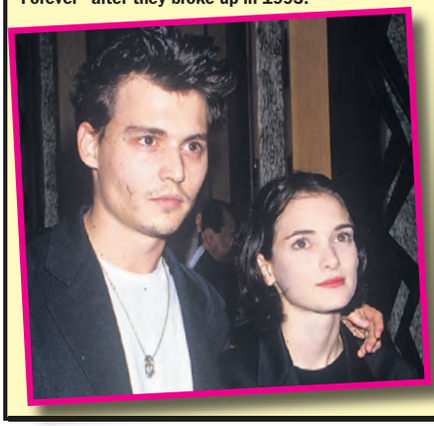
WINONA RYDER

AFTER splitting from Jennifer Grey, Johnny hooked up with his *Edward Scissorhands* co-star Winona Ryder, getting engaged in 1990.

Johnny got inked with his famous 'Winona Forever' tattoo, which he tweaked to read 'Wino Forever" after they broke up in 1993.

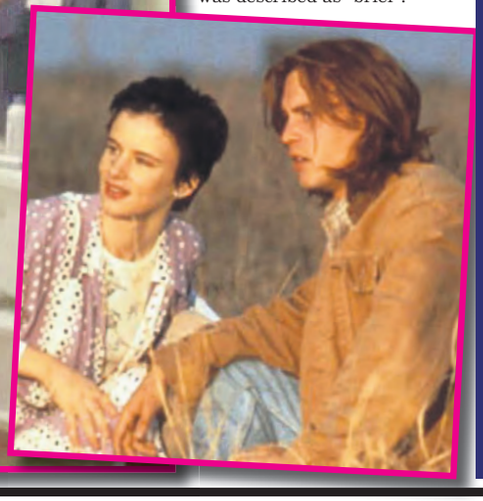


JULIETTE LEWIS

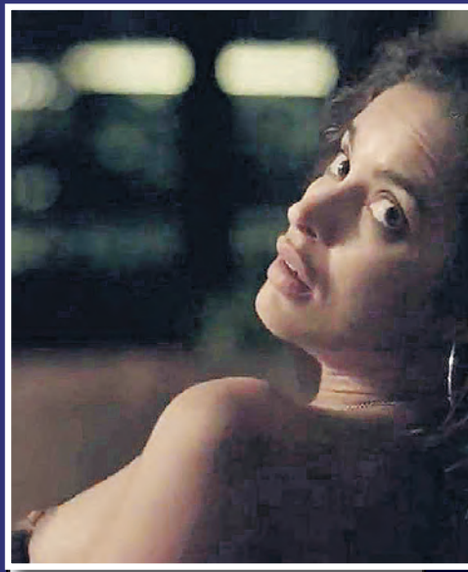
NATURAL Born Killers star Juliette, 47, appeared in the 1993 film *What's Eating Gilbert Grape?* and struck up a relationship with Johnny after meeting on set.

At the time, Juliette was fresh out of an engagement with none other than Brad Pitt.

Her romance with Johnny was described as "brief".



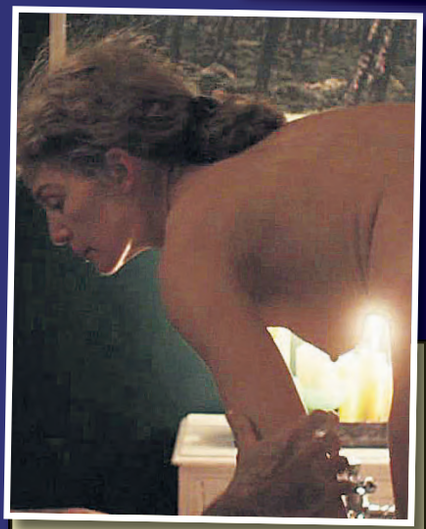
…AND HE



CHRISTIANNE OLIVEIRA

BRAZILIAN beauty Christianne, 39, took part in the critically acclaimed and luvvies' favourite *Chocolat* back in 1990.

Also on the cast was a certain Johnny Depp, and the off-screen chemistry between them was said to be "electric".



ROSAMUND PIKE

IMPOSSIBLY long-legged Brit actress Rosamund, 41, was rumoured to have hooked up with Johnny on the set of 2004 romantic drama *The Libertine*.

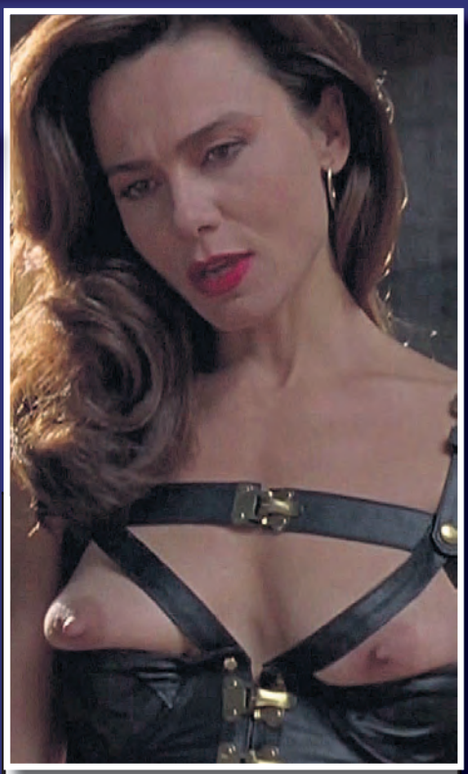
She's since gone on to settle down with businessman Robin Uniacke, and they share two sons.

RE'S HIS ON-SCREEN LOVERS BARED

PENELOPE CRUZ

JOHNNY and Spanish stunna Penelope, 46, first met when they were just 19 and later starred together in 2001 hit *Blow*.

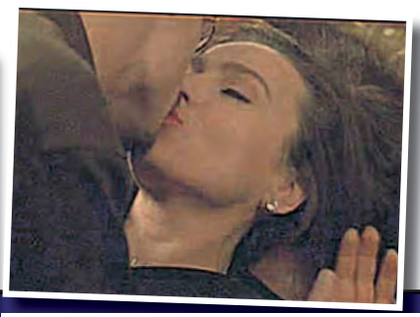
They've since gone on to make two more movies together and despite denials, it's thought Cruz – who once dated Tom Cruise – and Depp were more than just colleagues for a time.



LENA OLIN

SWEDISH actress and *Hunters* star Lena, 65, met Johnny in 1999 on the set of *The Ninth Gate*.

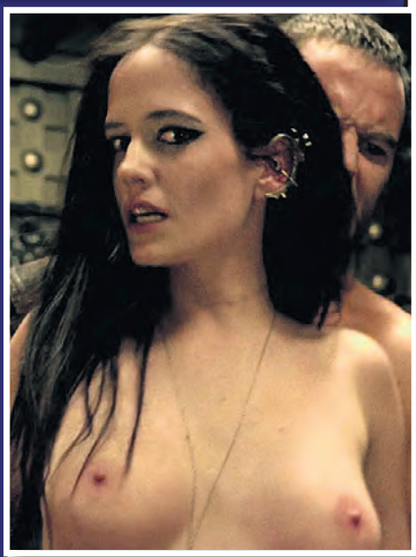
Having previously dated *Pretty Woman* heart-throb Richard Gere, it's thought she and Depp enjoyed a brief work fling together.



CHARLIZE THERON

MAD Max: Fury Road and *The Devil's Advocate* pin-up Charlize, 44, was another Hollywood starlet rumoured to have been charmed by Johnny.

They hooked up on the set of *The Astronaut's Wife* in 1999 – and the relationship was said to have spilled over into real life after.



EVA GREEN

***CASINO Royale* Bond babe Eve, 40, met Depp on the set of Tim Burton's *Dark Shadows* in 2012, by which time his long-term relationship with Vanessa Paradis was over.**

Rumours go that Depp quickly became entranced by the dark-haired French actress – and who could bloody blame him!

Virtue-signal babies spout a load of bull

I ALWAYS thought that the most offensive thing about Red Bull was the taste.

I remember an enthusiastic little chap coming to our college bar, which I was running for a time, peddling the stuff in the mid-90s.

He gave me a free can.

I gave it back. Revolting.

Anyway, it turns out that the most offensive thing about Red Bull is not its taste, it's a slide shown at a Red Bull marketing presentation in Detroit back in February.

The slide showed a world map that illustrated world stereotypes through American eyes.

It was a pale imitation of the *Tory Atlas of the World* from the 1985 *Spitting Image* book. (Look it up. Funny.)

On the Red Bull map America was marked: "We're number 1!" while Canada was "uninhabited".

The Middle East and South-East Asia were marked as "evil doers", continental Europe as "pussies", and South America as "coffee comes from here, I think".

Mexico was marked "they do our laundry", China was shown with the label "they make our stuff", the Middle East had an arrow indicating "bombs go here", and so on.

A bit amusing but not a patch on the *Spitting Image* version which, I'm pretty sure, would get me arrested or at the very least get my statue pulled down if I reproduced it here.

Anyway, some snowflake Red Bull employees were so "outraged" they "complained to HR" or, as we used to say at school, "ran to teacher".

Their complaint? You guessed it...the slide was RACIST!

Oh for the love of dripping c**t!

I've heard that drinking too much Red Bull can make you a bit jittery and anxious but if these soppy twats got an attack of the vapours over these half-arsed gags, they must be mainlining the f**king stuff.

We also heard that 300 Red Bull staff had signed a letter criticising the company's "silence" on the Black Lives Matter brouhaha.

How about this...

Maybe Red Bull was silent on the issue because the business of Red Bull is SELLING F**KING POP – not spouting off about the latest issue creating an itch in the Woke Brigade's britches.

There is nothing, NOTHING that these permanently-agitated social justice warriors will not bitch and whine about.

And when they can't find it, they just pretend to be outraged.

"Look how cross I am! Look at me, me MEEEEE!"

It seems that being perpetually furious is the new way to show to the world how GOOD you are.

Sorry, folks.

To me you just look like toddlers who've shat their nappies.

MISS CAUGHT ON CCTV SUCKING OFF TEENAGER

Randy teacher begged lad, 14, 'send me a picture of your hard cock'

IN CUSTODY: School Miss Monica Young

A SEX-CRAZED teacher begged a teen lad "send me pictures of your hard cock" – before shagging him THREE TIMES in an afternoon in her classroom.

But Monica Young was nicked after her X-rated romps were caught on the school's CCTV.

Young, 23, is in custody accused of aggravated sexual intercourse with the pupil, 14, during school hours.

By BRAD CHADWICK
in Sydney, Australia

Sources described the teacher as having a "goody-goody" reputation and said many don't believe the charges against her.

Young was denied bail by a JP in Sydney, Australia, last week after hearing she allegedly contacted the boy's mother to "explain away" the circumstances. Papers tendered in Bankstown Local Court said Young is charged with twice having sex with the boy between 9am and 4pm on June 24. She also stands accused of wanking off the boy on that day.

More than a week later, on July 3, the teacher is accused of masturbating the boy to explosive completion in school time, and allegedly shagged him three times that afternoon.

Then, between July 4 and July 6, she's accused sucking off the lad and then encouraging him to lick out her fully-shaven vagina while fingering her puckered anus.

A source with inside knowledge of the police investigation said the charges relate to an alleged video exchange via Snapchat.

There, Young is said to be fingering herself in a video message for the boy and seeking a similar video of the lad's "big, hard cock" in return.

Young has denied any sexual impropriety but faces up to 12 years in jail if found guilty of an aggravated sex assault charge.

She was arrested by Child Abuse and Sex Crimes Squad cops in an early morning raid on the home she shares with her fiancé.

In refusing her bail, Magistrate Glenn Walsh said Young had allegedly "tried to get around" the police investigation after learning of its existence.

She allegedly did that by changing her Snapchat username and attempting to contact the boy's mother to "explain away" the circumstances of her conduct.

Prosecutors said they had an "overwhelmingly strong" case, what with Snapchat and CCTV evidence.

Young was remanded in custody to face court at a later date.

Beast bonked pal's pit bull on Christmas Day

VILE: Jerry Morgan had his dog sex filmed

A VILE pervert spent Christmas Day having sex with a pal's pit bull – while his girlfriend filmed him at it.

Jerry Morgan III was handed four years' probation over the December 2019 video of him molesting the dog, which was recorded by his girlfriend Catrece Peel at his home.

ABUSED: Morgan rogered pit bull

Sleepy

Morgan was given the female dog to care for by a friend called Kathleen Dates on Christmas Eve.

Dates rushed to collect her two days later after Peel posted clips of her lover sexually abusing the pit bull on Facebook.

Court documents say Morgan's abuse left the dog "very off" and said that Dates' pet had been uncharacteristically sleepy after being brought home by its owner.

Dates immediately contacted police about the clips of Morgan with her pet.

After he was brought in for questioning, Morgan initially denied bestiality, insisting that he "had washed the dog and was only drying it off" and that "he was doing nothing wrong".

But he later struck a plea deal which saw him admit crimes including bestiality and domestic battery.

Peel did not face any criminal charges over the bestiality video.

She also asked for an order barring Morgan from contacting her to be lifted.

That was imposed in November 2019 after Morgan allegedly held a knife to her throat.

Probation officers are to decide if Morgan will serve his sentence in a work release programme, or in house arrest in Anderson, Indiana.

ROSWELL: FINALLY THE TRUTH IS OUT!

REAL LIFE X-FILES

CERTAIN: Jesse Marcel (*above*) with the 'weather balloon'. He told his son (*below*) that the alien craft story was true

THE WORLD'S most famous UFO case was reduced to a laughing-stock when a series of "new" photographs showing a dead ALIEN were ridiculed all across the globe.

For critics of The Roswell Incident, it was the final nail in the coffin of a conspiracy theory that had divided opinion for seven decades.

But the most recent events shouldn't disguise the truth of this compelling mystery – there's still enough evidence to suggest that something unsettling DID take place in this protected military enclave deep in the American desert...

It was billed as the 'smoking gun' for UFO enthusiasts – newly discovered pictures which promised to PROVE once and for all that an alien craft really did crash land in scrubland surrounding Roswell, New Mexico, US, way back in 1947.

These so-called 'Roswell Files' – a series of old Kodachrome photographs – were discovered by journalist Adam Dew and were claimed to show the corpse of an extra-terrestrial creature.

And the world waited with bated breath as Dew prepared to show them for the first time.

But when he and his associates finally unleashed the promised images, audiences – including those who'd paid £15 each to watch the big reveal via an online link – were left utterly underwhelmed.

Critics immediately pointed out the similarity between Dew's pics – allegedly found hidden in a collection of snaps owned by geologist Bernard Ray and his wife Hilda, who have both died – and the mummified remains of children widely found in Egypt and displayed in museums worldwide.

Fraud

As far as detractors were concerned, the snaps were at best a case of mistaken identity and at worse an act of fakery and fraud.

But that doesn't mean the Roswell myth has been proved to be bogus – because it still has some level-headed experts scratching their heads.

The facts as we know them are as follows: On or around July 2, 1947, something crashed on remote ranchland not far from a military base at Roswell.

A local farmer alerted the US Army and the wreckage was taken back to the base by intelligence officer Jesse Marcel.

The military then put out one of the most bizarre press releases in history.

It read: "The many rumours regarding the flying disc became a reality yesterday when the intelligence officer of the 509th Bomb Group of the Eighth Air Force, Roswell Army Air Field, was fortunate enough to gain possession of a disc."

But within 24 hours, the military retracted the story, said that they'd made a huge mistake, and claimed the object recovered was nothing but a weather balloon.

Those in the know were puzzled, to say the least.

Weather balloon launches were common in the area and it seemed hard to believe that highly trained military personnel would mistake one for a downed alien craft.

While eye-witness reports told of wrecked spaceships and the bodies of other-worldly pilots strewn across the ground, the government went quiet.

That was, however, until the 1990s, when the US Air Force launched a series of official inquiries in response to media and public pressure.

It transpired that many documents from the period had been destroyed without proper authorisation.

Conspiracy theorists had a field day.

The US Air Force claimed that the weather balloon had been carrying top secret testing equipment looking for evidence the Soviets had developed an atomic bomb.

By Phenomenon Expert
GILES FULLER

The odd press release was, then, nothing but misinformation to bamboozle the Russians.

They went on to say that any strange bodies seen at the time were crash test dummies that had been dropped in high-altitude parachute tests.

But that only confused things, as the Roswell crash took place in 1947 while parachute tests didn't start until 1954.

Fiction

The story became more and more convoluted and fact quickly blurred into fiction.

A film, supposedly showing an alien autopsy, emerged in 1995, but was condemned as a hoax.

One man who knows more

IS THE TRUTH STILL OUT THERE? How we imagine alien spacecraft to look

'He described it as not of this Earth...'

DISPUTED: Most recent 'alien' photos are simply Egyptian child mummies, Roswell sceptics claim

DEBUNKED: The original photos of the Roswell 'alien' (*left*), but Nick Pope *(right)* says something crashed there

than most about the Roswell mystery is Nick Pope, who investigated UFO sightings for the UK's Ministry of Defence between 1991 and 1994.

He's convinced something weird took place there, but like the rest of us is none the wiser as to what.

He said: "Having investigated UFOs for the MoD, I've been accused of being part of this conspiracy myself. As for Roswell, if the US government did recover an alien spacecraft, they didn't let us Brits in on the secret.

"So what's the verdict? It's still unknown. Something crashed at Roswell, but with the records lost, the witnesses dead and the event now over 60 years old, chances are we'll never find out what happened."

Witness

Indeed, on August 23, 2013, Dr Jesse Marcel Jr – the son of the intelligence officer first dispatched to intercept the wreckage – passed away aged 76.

He'd been the last living witness involved in the incident.

Marcel had been just 10-years-old when his dad woke him up and showed him strange debris that he said came from a crashed alien spacecraft.

In his book *The Roswell Legacy* Marcel Jnr described how he is adamant his father was cruelly hung out to dry by an official cover-up.

This career military man, who served in a helicopter unit during the Iraq war in 2004, wrote: "This was clearly like nothing that had been seen on Earth before.

"But neither my dad nor I had any notion of the profound influence that the Roswell incident would have on the popular culture in the coming years.

"To his dying day, my father was absolutely firm in his conviction that the material we examined was as he described it, 'not of this Earth', and that the truth about Roswell had yet to be revealed to the public."

THE OTHER THEORIES

Secret military testing

THE so-called 'Area 51' is a strictly classified off-shoot of Nevada's Edwards Air Force Base.

Its existence was only officially recognised by the CIA in 2013, and if you stray too close to the borders you can be SHOT for trespassing, with signs warning "use of deadly force is authorised".

Several witnesses have come forward to claim that files concerning Roswell – located some 900 miles to the east – are held there.

It's a base that has long been at the very cutting edge of new military technology, and many have speculated that the events of Roswell simply involved a crashed prototype originally dispatched from Area 51 and quickly hush-hushed by worried bigwigs, eager to conceal groundbreaking new weapons from the enemy.

Two crashes, not one

IN 2010 Lt Col Richard French, who served in the military for more than 27 years, broke his silence to claim there were TWO strange UFO crashes near Roswell, not one.

He said: "The first one was shot down by an experimental US airplane that was flying out of White Sands, New Mexico, and it shot what was effectively an electronic pulse-type weapon that disabled and took away all the controls of the UFO, and that's why it crashed.

"There was another crash days later.

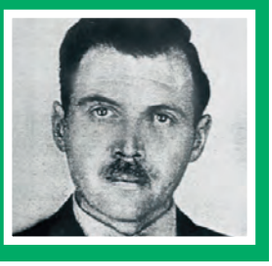
"We think that the reason they were in there at that time was to try and recover parts and any survivors of the first crash.

"I'm referring to the people from outer space – the guys whose UFO it was."

Nazi scam

IT wasn't little green men from Mars that crashed in Roswell, it was the NAZIS!

So says American author Annie Jacobsen, who reckons the Soviet leader Joseph Stalin recruited former SS leader Josef Mengele to produce 'grotesque, child-size aviators' to be remotely piloted and landed in America in order to spread mass hysteria and panic, as the human race feared a real-life alien invasion.



Jacobsen reckons the bodies found at the crash site were genetically-engineered children, aged round 12, with very large heads and abnormally-shaped,oversized eyes – like human guinea pigs – which were quickly spirited away by the US Air Force.

LOADS OF BABES, TELLY AND CHAT

Jodie's happy with a load of foreplay!

By WENDY THOMAS news@sundaysport.co.uk

BUSTY blonde bombshell Jodie Gasson says her massive NORKS spark up a heap of conversations.

The Hove, Brighton, beauty says she talks about her 30F knockers every single day and regularly teases her fans with a series of snaps of them on social media.

Jodie, 27, said: "My boobs are definitely a conversation starter. Honestly, I think I end up talking about them on a daily basis.

Supreme

"But I can't complain, seeing as I'm always posting pictures of them on my Twitter account!"

And it's not just her boobs that Jodie reckons are top of the charts, she thinks her bedroom skills are pretty good, too.

She added: "In the bedroom, I reign supreme. I like being on top – I like to be in control.

"When it comes to sex, I like guys to be gentle. Fellas need to master foreplay.

"Don't just lunge for the boobs and ignore everything else.

"Us girls have got lips and ears and legs and belly-buttons as well, you know, and they all need lots of attention!"

My perfect Sunday...

Georgie Darby, 28, 32F, from Guildford, Surrey

SUNDAY Sport SEXY BACK END!

GEORGIE'S UP FOR A LIE-IN!

GEORGIE Darby is a proper sleepyhead and admitted that her perfect Sunday would be spent – in bed!

By WENDY THOMAS
news@sundaysport.co.uk

She laughed: "No, I don't mean doing sex all day, I mean sleeping and maybe reading a book or watching a load of telly. I've spent a fortune on the best bed linen because I like to be really comfy in bed.

"Remember that advert years ago where that woman she says spend a bit of money on good shoes and a good bed – because if you're not in one, you're in the other.

"Well that's absolutely right. And I spend a small fortune on shoes, too."

But there's one thing that can rouse Georgie from her slumbers – a damn good Sunday roast.

She said: "My perfect man would be able to cook a proper beef joint with all the bits and bobs that go with it – that would get me out of bed.

"Failing that, a man who has enough money to take me to a carvery each Sunday – YUM!"

SUNDAY Sport LEGENDS OF PORN

PART 115 VANNA BARDOT

By PENNY MARSHALL
news@sundaysport.co.uk

ANNA Bardot was born on February 3, 1999, in Denver, Colorado.

As a teenager, she was a real rebel who LOVED to watch porn.

She lost her virginity at high school – first with a girl, and then two weeks later with a guy.

When she turned 18, she started with web camming.

Vanna started her porn career in the middle of 2018, when she was aged 19.

Before that, she conducted a detailed research about the porn industry.

Web camming had helped her get the self-confidence to start shooting and she made solo, lesbian and hardcore scenes.

Personally, she loves rough sex and hardcore action.

She especially likes the energy that she feels during sex and loves hard fingering with girls.

In these scenes she is also more dominant.

When she was in school she was a ballerina and because of that, her body is very flexible – which makes many of her scenes additionally hot.

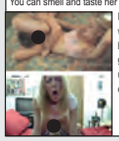
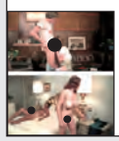
C79-100 : THE FRENCH FAMILY
This film has subtitles and seems to be about a problem that a troubled young man exposing himself at home. The sex is not very graphic but it appears it might be some sort of justification. You may find it interesting but don't buy if you're looking for graphic porn.

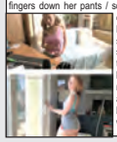
C79-101 : HAPPY FACE SITTERS
Your nose and mouth buried into her most intimate orifice. You can smell and taste her as she cums all over your face. Her p***y contracts with pleasure when your tongue licks and flicks her c*it resulting in her body going into a shaking, uncontrollable convulsion of exquisite pleasure.



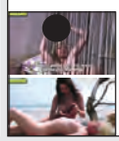
C79-102 : TABOO 1
The repressive 1950's, the less repressed 60's then give way to The Bonk Mad 70's. Swingers, lesbian sex, graphic porn, three in a bed and the truly ridiculous fashions. Starring Kay Parker and Dorothy le May. How can you resist it?



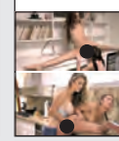
C79-103 : TASTY MORSELS FROM THE WWW Nerdy teen 18+ masturbates / sex advice with the very annoying Nadia / playing hunt the cl*t / teen sticks her fingers down her pants / solo teen flaunts her assets / an exercise to get her yelling for IT / Linda Ronstadt in a little girl frock / stockings / tights x 2 / get your secretary blouse and knickers off then bend over your desk / bikini beauty / saucy solo nymph / you'll never get tired of looking at this arse / more tricks to get into those knickers / old bloke gets lucky / windy up-skirts.



C79-104 : SATANIC SISTERS
English language. A dominated woman. Fixated on reliving the experience. Plot to rob her of her inheritance. And many more complex twists and turns in this high octane sex drama.



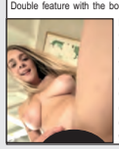
C79-105 : DIRTY DYKES
Seduced on the sofa, road trip to a Les love-a-thon, they're cooking on the work top, seduced on a visit. Some moist moments from several lesbian encounters. Lickity-spit! You'll enjoy every moist moment.



C79-106. RETRO PORN UNTITLED
It's got a story of sorts, plenty of sexy action. English language and it's got Ron Jeremy, the chubby porn star of 70's and 80's, cross dressing, nice underwear and a good quality print. Got to be worth a look.

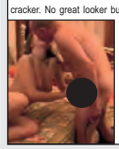
C79-107 : MORE WORKING GIRLS 2
You can find them in any major UK town or city, plying their trade on the streets, plush hotels and massage parlours. They even occasionally work from home. Advertised in local papers or even discreetly in shop windows. These young women are often recruited from the eastern block or the far east and work days in nail bars.

C79-108 : GOLF KART C* & DADDY'S GIRL**
Double feature with the booblious Gabbie Carter. Her golf partners score a hole-in-one as Gabbie enjoys a sunny day on the golf course whilst distracting these young men from their game. Her truly mouth-watering charms with some very disfiguring graffiti. She's obviously a fun girl and generous with it.

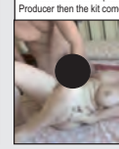


C79-109 : THE OPENING OF MISTY BEETHOVEN A rather obscure title for a rather curious film. English language, set in Paris, great cast, fabulous 70's costumes and original approach to sex. We're sure there is a plot but rather hard to understand. Many exotic and very graphic sex scenes and there's always an obliging maid on hand to relive any tension that the cast may be feeling. Fun to watch and trying to guess what an earth is going on.

C79-110 : THE KINKY WRINKLY AGAIN
This is rare material from the old boy who was a retired safe cracker. No great looker but he must have had quite some charm to persuade these several quite attractive young women to have sex on film with him. Obviously money must have played a part. This material is copied from VHS, so does lack the pin sharp print of digital porn. We would guess this must be from the 80's.

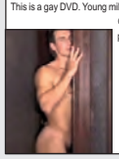


C79-111 : VIVA ESPANOL
Porn auditions from Spain. First some jokey chat from the Producer then the kit comes off and the action starts. The studs are not muscled hunks with their brains in their biceps but quite pleasant young men and nice looking Latino women. All the normal stuff happens, nothing unusual, no p*****g on the paella or rampant Bulls, just the same old routine. The picture quality is not exactly HD but it serves. Ole!

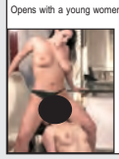


C79-112 : TREATING OLD MEN
Bit of a mixed bag, foreign language-starts with 3 films of what looks like a boyfriend talking his rather nervous girlfriend into having sex with an old bloke. Then Boyfriend joins in. More mismatched couples. Old porn star meets black legend. Then a rather curious clip from a film with young 18+ woman and older man arguing. Lastly, a beautiful young woman relieves a black granddad.

C79-116 : CALL OF DUTY
This is a gay DVD. Young military males relax on and off base. Getting very up close and personal.

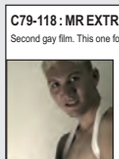


C79-113 : LESBIANS LOVING IT
Opens with a young women surprised in the shower by the worst boob job ever - Some American Girlfriends films - Mummy's girls with more fake t*ts and stick on eye lashes - Selection of Eastern Euro lesbian films with subtitles (these are far better than the Yank ones.)



C79-114 : KINKY DOMINATION & KINKY TEACHER WITH TEENS 18+
Two films. First, very sexy domination of young woman who is seduced into a labyrinth of perversion and pleasure. Second, a young woman teacher seduces an attractive couple to have sex with her.

C79-118 : MR EXTREME
Second gay film. This one focuses on pretty much the same activity of the F/C film except that it's blokes doing the sucking.



C79-115 : BEAUTIFUL PLUMPERS
Solo blonde plumper reveals her assets - plumper seduced - Big girl fingers herself to orgasm - Plumper exercises on the mat - Lovely lush plumper pleasures herself on the sofa. Like a warm soft pillow, these girls are so comforting that it would be impossible to resist their pneumatic charms. Like having sex with a bouncy castle.

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Northampton...

MELISSA THORNTON
AGE: 21
FROM: Northampton
OCCUPATION: Dental receptionist
FAVE DRINK: Cosmopolitan
FAVE FOOD: Italian
FAVE FILM: Leap Year
FAVE ACTOR: Ben Stiller
FAVE HOLIDAY: Tenerife

NICOLA BAILEY
AGE: 21
FROM: Northampton
OCCUPATION: Store supervisor
FAVE DRINK: Mai Tai
FAVE FOOD: Chinese
FAVE FILM: The Holiday
FAVE ACTOR: Jack Black
FAVE HOLIDAY: Paris

FIRST-TIME SEX

MELISSA: It was crap.
NICOLA: Mine was too. It wasn't hard enough.
MELISSA: What do you mean?
NICOLA: It wasn't rough enough. It was too nicey, nicey. I don't do nice.
MELISSA: I wanted an orgasm and I didn't have one, so I was disappointed.
NICOLA: I didn't fancy the guy I slept with enough. In fact, he was unattractive and it was a big mistake.
MELISSA: You live and learn.
NICOLA: You certainly do.

WILLY SIZE

NICOLA: I think it matters. Do you?
MELISSA: I am really not bothered.
NICOLA: It can be too big but it can also be too small. If it is too big it is a waste, but if it is too small you need tweezers.
MELISSA: There are other ways to satisfy a girl. They can use their tongue instead of their willy. I'm happy with five inches.
NICOLA: No, I want more than that. It's got to be at least seven inches.

CAUGHT IN THE ACT

MELISSA: I have never been caught having sex, but I have been caught doing other stuff.
NICOLA: Where were you?
MELISSA: It was in a beer garden. I was giving my boyfriend a blowjob and we were caught on CCTV. The manager said he had watched it, but I'm not too sure. I think he was lying.
NICOLA: I have never been caught – I am a good girl. You just do it very discreetly.
MELISSA: I'm not sure that we were caught on CCTV because they would have made a bigger deal of it. Someone probably saw us, but that will be about it.
NICOLA: But you are a bad ass girl, that's why you were caught.

FAKING ORGASMS

MELISSA: I have never faked an orgasm.
NICOLA: I have.
MELISSA: Have you? I don't fake, but I don't need to. I almost always orgasm. I am very easily pleased.
NICOLA: I don't believe that you have never faked! I have because I didn't want him to feel bad about his performance. Instead of telling him he was crap, I just did it in a nice way. There is no need to be mean.

BEST SEX

NICOLA: Mine has to be when it is really rough – I like it rough. I love it when he is forceful and throws me around the room. We just connect.
MELISSA: What, with the bedroom wall?
NICOLA: No, we both like it like that. We don't do it that way every time we have sex, because then it would lose its appeal.
MELISSA: My best sex is always when I have oral first. Sex is rubbish if you just go straight into it. I want a guy to take his time, to tease me and really get me in the mood. When I finally have sex, I am so turned on I almost always climax.

ONE-NIGHT STANDS

MELISSA: I have never had one.
NICOLA: I don't believe in them, I think they are slaggish. If you have a one-night stand and the guy is married, that is just wrong. You should get to know them before sleeping with them.
MELISSA: I think I would feel cheap and used if I had one. Plenty of people do have one-night stands and that's up to them, but they are not for me.

TURN-ONS

MELISSA: A good-looking lad with big muscles does it for me. I want someone who can look after me. And they have to be a good kisser. If they are not, our relationship will not go anywhere.
NICOLA: Spiky hair does it for me. I also like it when a lad kisses my neck and shoulders – that really gets me in the mood. What do you like?
MELISSA: When a lad goes down on me and willingly puts his heart and soul into it. A lad who is good with his tongue is priceless and it never fails to get me in the mood. My orgasms are a lot stronger.

> **I was giving my fella a blowjob in the beer garden and we got caught on the pub CCTV**

SPIT OR SWALLOW

NICOLA: I swallow. It is a waste if you spit. And it makes a mess.
MELISSA: I swallow every time too. Do you ever spit?
NICOLA: I have in the past, but I end up dribbling and it goes on the floor.
MELISSA: And it stains the carpet.
NICOLA: Try explaining that one to your parents! But seriously, if you spit it ruins the mood.
MELISSA: Sometimes I don't let him get to that point, because once he has cum he is happy but I still want sex. I do it until he is turned on enough and then it is my turn to have some fun.

BUM FUN

NICOLA: I don't like the thought of it. It is a gay thing. It is also supposed to really hurt. That puts me off in itself and I can never see myself trying it. What about you?
MELISSA: Well, I guess I'm going to really shock you now because I love anal sex and I've done it many, many times.
NICOLA: You're kidding me?
MELISSA: No, I'm not. And I don't know why everyone thinks it's really painful. With the right amount of lube – and the right dick – it can be fantastic. Maybe you don't want someone who's got a really wide knob, but once it's in, it feels really good. You've got loads of nerve endings back there and you can play with your clit at the same time. I'm telling you, my biggest orgasms always happen when I'm having anal sex.

WORST SEX

MELISSA: Where do I start?
NICOLA: At the beginning – and don't leave any details out.
MELISSA: It was with a guy a bit ago. I said size doesn't matter, but when he is clueless too, it does.
NICOLA: Don't stop.
MELISSA: He was really small and useless – not a good combination. He wasn't even bothered about me.
NICOLA: That all sounds like a total nightmare.
MELISSA: If you have feeling for a person, it doesn't matter. But this time it did.
NICOLA: My worst experience is probably very similar. It's happened a couple of times when it's over before it has really begun. That's really disappointing. You pretend you're not bothered, but really you are naffed off.

OUTDOOR ACTION

MELISSA: I went out with this guy a couple of years ago who was into hiking. We went to Wales one weekend and were walking through this field when I got an urge to bonk him. It was a bit awkward because I was wearing shorts, but I took them off and we had a quickie behind this big tree.
NICOLA: A group of us went camping in the French countryside and one night we got pissed in this little local bar. My fella and I decided to take a walk down by the river. There was a bench nearby, so he sat down, I took my knickers off and straddled him. It was amazing!

FANTASIES

MELISSA: Last year I was going out with a security guard at this huge depot and it gave me the chance to fulfil my fantasy by having sex in there. Knowing we were doing something really naughty was a big turn-on.
NICOLA: I had sex at a festival with a guy I was seeing. I'd always wanted to have sex in public and we waited until everyone was really drunk and we went back to our tent and did it. I loved knowing we might get caught – we could hear party people walking past the tent while we were shagging, too. It really did it for me.

Catching a Killer: A Diary from the Grave – C4, 10pm

WHEN elderly teacher Peter Farquhar was found dead at home in the village of Maids Moreton in 2015, it was sad and unexpected, but no-one thought it was suspicious.

But 18 months later, when neighbour Ann Moore-Martin also fell ill and died, the police decided to look again. They found that Ben Field, a would-be vicar and academic, had recently become part of both of their lives and benefited from their wills.

This programme shows that by delving back in time through friends' and loved ones' memories of Peter and Ben's relationship, as well as Peter's diary, the police discovered a story of love and betrayal.

Real-life drama on the Thin Blue Line

Police Code Zero: Officer Under Attack – C5, 10pm

PROGRAMME exploring the rising number of assaults on police officers, revealing what they face in the line of duty, and the emotional toll these incidents take.

On a remote hilltop near Newbury, PC Lucie Gray and Sgt John O'Donovan come under attack after being called to an old hanging post after a report of drunk-driving, while in Hyde a suspect bites a police dog and attacks its handler.

Spy adventure, starring Sean Connery as 007, Jill St John, Charles Gray, Bernard Lee and Lois Maxwell.

One of the better ones, this.

MOTD Live: FA Cup Semi-Final: Manchester United v Chelsea – BBC1, 5.30pm

GARY Lineker presents all the action (kick-off 6pm) from the last-four match at Wembley Stadium.

The sides last met here in the final of this competition two years ago, when Chelsea prevailed 1-0 courtesy of an Eden Hazard penalty.

However, United are unbeaten in the six meetings between the clubs in all competitions and have defeated the Blues three times this season, completing a double over them in the league and winning at Stamford Bridge in the fourth round of the Carabao Cup.

Formula 1 Hungarian Grand Prix Highlights – C4, 7.30pm

STEVE Jones is joined by David Coulthard and Mark Webber to present action from the third round of the Formula 1 season at the Hungaroring in Mogyorod.

Mercedes' Lewis Hamilton was victorious in this race last year and will be aiming for an incredible eighth triumph on this circuit this time around.

This will be the third race in as many weeks for the drivers to contend with since the season finally got under way after the coronavirus delay.

Because the total number of races to be staged this year is yet to be determined, greater emphasis is placed on each Grand Prix in the battle for the drivers' and constructors' championships – so they'll all be going for it.

TUESDAY

The Real EastEnders – C4, 10pm

FILMED in the summer of 2019 by first-time director Ashley Francis-Roy, this documentary presents the world as seen through the eyes of children growing up on council estates on the Isle of Dogs.

Brendan is a sixth-generation Islander who's lived with his nan Lynne since he was placed in care when he was four, while 12-year-old Leslie wants to be an electrician, as well as a part-time rapper and gamer – but his mum Tina worries about him hanging out with boys who seek respect and easy money.

DON'T MISS THIS!!!

Frankie Boyle Live: Excited for You to See and Hate This – BBC2, Thursday, 10pm

Frankie turns his attention to a number of diverse subjects, including Glasgow's relationship with swearing and vitamins, British politics, his concerns about ageing, buying a dog and the nature of comedy itself.

There will possibly be swearing and some bad taste – if there's not, I want my f**king money back.

Sunday Sport SEXY BACK END!

THIS IS WHAT GETS ARIA SO WET!

By WENDY THOMAS news@sundaysport.co.uk

BUSTY Aria Giovanni is set to appear on a TV show in her native California about her years as a teenager.

The modelling legend, who's as fit as hell for 42, says she's been thinking of going back to her roots for the programme.

Aria said: "They want me to talk about my breasts developing, quite undestandably.

"I started to fill out in the chest quite young and by the time I was in my mid-teens my boobs were very large – I was a DD when I was 14 so you can imagine how much I caught the eye of the boys, though I thought of myself as a bit of an ugly duckling.

Topless

"The moment I turned 18, I signed up for a modelling agency and when the boss asked if I would be happy to do topless work I almost shouted, 'Of course I am!'"

Since making her topless debut Aria has graced the covers of countless mags and loves getting her 34Ds out.

She added: "The idea of men ogling me still gets me all wet!"

Morgan: I love a tasty bit of veg

By WENDY THOMAS
news@sundaysport.co.uk

MORGAN Lees really does love PEAS!

The busty blonde, 28, from Derby, loves the veg in all its forms.

The 34E lovely said: "Garden, marrowfat, mushy or just fresh from the pod on my allotment.

"That's right – I have an allotment. I was on a waiting list for three years but finally got one.

"Thankfully, I'm pretty much self-sufficient in veg which really put out an ex-boyfriend, who was a greengrocer!"

After peas, Morgan says her favourite veg is runner beans.

She said: "I make a mean Sri Lankan runner bean curry. Delicious and so good for you."

CARMEN GET ME, FELLAS!

By WENDY THOMAS
news@sundaysport.co.uk

KINKY Carmen Croft is enjoying the British summertime – because it's a great excuse to get NAKED!

The 25-year-old, from the faraway Grand Duchy of Moravia, reckons the scorching temperatures make her feel HORNY!

Carmen, who boasts huge 36D assets, revealed: "When it's really hot and sunny, I like to wear my favourite skimpy bikini.

Topless

"But today I was feeling so confident that I decided to go fully topless!

"It felt so sexy to peel off my tiny bits of pink underwear for the glamour photographer.

"I'm very proud of my body – so why not show it off?"

The busty brunette is also happy to be a fantasy figure for many men and knows just how to get their temperatures up.

Carmen added: "What I really like to do is, when I'm sunbathing and dozing off, have a man creep along and furiously masturbate, then come all over my face.

"I think all women like that, for sure!"

THE WORLD FAMOUS AGONY Page

Dear Sam,

I'M a 22-year-old busty blonde and I've just got back from a boozy holiday in Ibiza. I went with two female mates and we were pissed the whole time.

One night all three of us shagged some blokes on the beach. We were lying very close together and I could hear one fella's tongue flicking my pal's clit while my other pal was slurping on the lad's ding-dong.

After my fella had given me an orgasm, we all agreed to swap partners and another fella got straight up my pink passage.

But I did notice that one of the lads was fiddling with his mobile and, now I'm back at home, I'm worried he may have been filming us.

What should I do?

KR, Glasgow

Sam says...
KEEP checking the internet for shots of your fanny.

Dear Sam,

I AM an 18-year-old guy and I hang out at my friend's house quite a lot. He lives with his mum and one night we all had a bit too much to drink and my friend passed out.

Me and his mum stayed up talking – she's easily able to handle any subjects, even sport and music – and one thing led to another and we ended up having sex.

She isn't that attractive and I had the beer goggles on at the time. But at least I got to shoot my muck that evening.

The problem is now I think she is interested in having a bit more, but I am not too fussed.

What should I do?

KD, Nottingham

Sam says...
MY guess is she will be impressed if you're honest with her and she will understand it was a one-off.

DO YOU HAVE A SEX PROBLEM?

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters and emails. Here's her advice...

My secret sex sessions with best pal's hunk

Dear Sam,

I HAVE a terrible secret – I have been secretly bonking my best friend's fella.

I am a 31-year-old brunette with small but very pert boobs and a tight bum.

So far my love life has been a mixed bag of one-night stands and mid-length relationships which have always ended in tears.

I seem to pick either the randy lads who want "wham, bam, thank you mam" or a total bastard who treats me like royalty before turning into a nasty shit.

I get plenty of offers when I'm out with my mates, as they are all pretty stunning.

Gagging

But let's just say my Rampant Rabbit vibrator has been a busy boy this year. You get the idea.

Anyway, my best friend had been in the same boat until just after Christmas when she met this hunky fella on one of those work team-building weekends.

They were sent to the back of beyond to go abseiling, build rafts and the like.

Anyway, she just happened to cop off with this fit fella from another office and they went at it like mad things all weekend.

Now he visits all the time. I was really happy for her – that was until she had to work one weekend and asked me to look after him.

As the day unfolded, it became obvious that he wanted to jump my bones.

I managed to resist until around mid-afternoon, by which time I was gagging for it.

We ended up at my flat, where we ripped off each other's clothes and humped on the couch.

He had a big willy which sent me wild. I'd never come across one so big – and never had one so big come across me!

And I could see what my friend saw in him when he went down on me for ages – I have never had so many orgasms.

Now I feel guilty as sin, but I can't get this hunk out of my head.

I've been meeting him online during lockdown for steamy video sex and I've really fallen for him. What should I do? Help!

FR, Essex

Sam says...

END it now, never utter a word to your pal and hope he can do the same.

Dear Sam,

I AM a 35-year-old bloke who has had the same girlfriend for 20 years and she's hinting that we should get married.

I have a huge collection of blue movies, which I enjoy watching while I'm on my own. If we marry, I will have to get rid of the porn.

My collection is precious to me. What should I do?

BT, Dorset

Sam says...

WHY should you get rid of the movies? Your new bride might get a kick out of watching them too.

WHAT THE..!? Don't wipe your bellend on the curtains, you pillock!
My ballbags bulging! It's started frothing a bit on the end. I think it was that old jazz mag

Sam says...

OH DEAR! Looks like your hubby needs to get in gear!
